

## Storm Disperses Immediate Fire Danger In Area

### Snow Falls Briefly on Hill, Blue Canyon Rainfall Tops in State

With 1.17 inches of precipitation recorded for the three-day storm this week, and with Mount Rose capped with snow, immediate fears of forest fires in the area have vanished and forest service officials are enjoying the first relief for months as one of the driest summer seasons on record ended.

The rain extinguished the smoldering Martis Valley fire which was the largest and most stubborn of the year in the Tahoe National Forest. Lookouts have been removed from Verdi Peak, Stateline and Martis Peak. Forest Ranger E. E. Boehm is leaving today for a hunting trip and vacation near Elko and other officials are resting up after a rigorous fire season which saw more than 50 fires in the the Truckee district.

Although the drenching brought a lull in fire hazards, the forest service warns that a few days of warm weather may bring about another spell of dryness and burning without permits is still prohibited and care should continue to be exercised.

Blue Canyon recorded 3.74 inches of precipitation. Snow fell briefly on Donner Summit but quickly turned to rain. Traces of snow were left on the Sierra Nevada above the 9,000 foot level.

### FIVE PRESIDENTS ATTEND SESSION OF TRUCKEE LIONS

The presidents of five Lions Clubs attended last night's meeting of the local club at Donner Lake Lodge. Beside the host president, Robert Seibold, there were Marsh Porter, Colfax; Harold Melior, Grass Valley; Vincent Hunt, Auburn and Harry Harrison, Lake Tahoe.

Other visiting Lions were Lyn Lardner, Colfax, zone chairman; Bert Kilker, Colfax; Clare Hughes, Grass Valley; Max Ammon, Auburn; Mel Throop and Larry Rood, Lake Tahoe.

Speaker of the evening was C. P. King, principal of the Tahoe-Truckee High School. He spoke on the general theme of "Education," explaining administration methods. He was introduced by E. V. O'Rourke, district superintendent of schools.

### 16 Friends at Party For Frank Patton

Frank Patton observed his 10th birthday with a party at the home of his parents, Mr. and Mrs. J. W. Patton, on Tuesday, October 2. Sixteen of his young friends were on hand to share in the festivities. Games were played, followed by the serving of refreshments, featuring the traditional birthday cake.

### Work Meeting Slated For Church Bazaar

Mrs. William Englehart Jr. will hold a work meeting at her home next Wednesday evening, October 10, to complete articles for the annual Community Methodist Church bazaar to be held later in the year. All women interested in the improvement and repairing of the church are requested to attend.

### Nat'l Guard Recruiting Team Due on Monday

There will be a recruiting team in Truckee Monday, October 8, from the 421 AAA Gun Battalion of the Nevada National Guard. They will visit the local high school on that date.

### Winter Recreation Topic Of Next PTA Meeting

A general discussion of recreational activities for elementary school children during the winter months will feature the meeting of the Truckee Parents and Teachers Association at the Truckee elementary school Monday, October 8, at 8 p.m., W. J. Smisek, president, announced.

Scenic motion pictures will be shown and Mrs. L. D. Nelson will be heard in vocal selections. Mrs. James Walker is chairman of the refreshment committee. All parents and others interested are urged to attend.

**INJURES HAND**  
Julianne Bechdolt, six year old daughter of Mr. and Mrs. William Bechdolt of Tahoe City, suffered a painfully injured left hand Saturday when two fingers were caught in a car door. She was treated by Dr. L. D. Nelson, who said no bones were broken.

## Truckee Republican

82nd Year, No. 44

Truckee, Nevada County, California Thursday, October 4, 1951

Since 1869

### Woman Killed In Freak Auto Accident Here

Mrs. Edythe F. Steward, 44, 3974 12th Ave., Sacramento, was killed instantly at 11 o'clock Tuesday morning in a freak automobile accident on Highway 40 near Donner Monument, three miles west of Truckee.

The car, driven by her husband, Lynwood B. Steward, 35, salesman for a truck company, skidded out of control on the rain-slickened highway, struck the shoulder of the highway and the right front door flew open. Mrs. Steward was thrown out and her head struck a large rock, the only one in some distance.

Steward, suffering from shock, was treated by Dr. L. D. Nelson and Mrs. Steward's body was taken to Fresno by the Truckee Colonial Mortuary Tuesday night. Services will be held there.

State Patrolman T. F. Sheehan made the investigation and he believed the car was traveling at an unsafe speed for the condition of the highway.

The Stewards were traveling east on a business trip at the time of the tragic mishap.

### Head-on Crash

Kenneth E. Garrett, 20, Sierraville, was taken to a Reno hospital by Truckee ambulance Thursday after his car and one driven by Donald L. Hansen, 16, Auburn, collided head-on five miles north of Truckee on Highway 89. Garrett was cited for speeding, being on the wrong side of the road and not having a California driving license.

### No Injuries

No one was injured when a car driven by Rev. G. W. Uhler, Elmore, Ohio, and a truck operated for the Norris Oil Co. by John Whiteside collided Tuesday at 7 a.m. near the state quarantine station, four miles east of Truckee.

### Truck Off Road

Bud Mallett, 31, San Leandro, was treated for minor injuries on Tuesday by Dr. Nelson after his Drive-Away truck went through a guardrail at Hirschdale. He had broken ribs and bruises. The truck, used to haul automobiles, was empty at the time.

### Rainbow Accident

Dr. Nelson was called to Rainbow Tavern Tuesday to treat Mrs. R. J. Wells, 51, Sacramento, who was injured when a car driven by her husband skidded and overturned near there. She suffered severe bruises and shock.

### WES FAIR QUILTS DEPUTY POSITION, JOB IS STILL OPEN

Wesley Fair, Truckee deputy sheriff since the election of Sheriff Wayne Brown, tendered his resignation to the county official Sunday and asked to be relieved immediately. Temporarily his duties here have been assumed by Deputy Frank Gallino of Nevada City. Fair said that unfounded reports regarding his work here had been circulated and were embarrassing both to him and the sheriff.

Sheriff Brown, when contacted regarding the situation, said he had accepted the resignation reluctantly and had been well pleased with Fair's work in this district, with the exception of routine reports. He said the resignation came as a complete surprise and that he had not contemplated a change.

Fair will continue with his Mail Chain Saw agency here and will continue to make his home in Truckee where he is well known. Brown said no permanent successor will be named until he has an opportunity to make a thorough study of the situation. The job pays \$243 monthly.

### New Houses Rising In Gateway Park

Work has been started on several new homes in the Gateway Park area and R. Joseph, owner of the tract, said he has applications for a number of others which may be started in the near future.

Two of the new dwellings are being erected by Charles Warner, Tahoe City contractor, and will be offered for sale.

In the meantime, work is drawing to a close on the three additional business buildings at the Gateway Shopping Center, all of which are leased.

### Rites Tomorrow For Sheriff Of Placer County

#### Officer's Car Skids on Road, Plunges Off Highway At Dollar Hill

Funeral services will be held at the Broyer Chapel at Roseville Friday afternoon at 2 o'clock for William Elam, 46, Placer County sheriff, killed in an automobile accident on Dollar Hill, three and a half miles east of Tahoe City, Monday afternoon. Burial will be in the Roseville cemetery.

The Placer County official was believed instantly killed when his car skidded out of control and plunged off the embankment during a blinding rain storm at 4:10 o'clock Monday, while he was on a business trip to Kings Beach.

Patrolman T. F. Sheehan, who made the investigation, said Elam's car skidded, struck a guard rail on the left side of the highway and then plunged across the road and down the steep bank. He was alone in the car and his body was thrown about 50 feet from the wrecked machine.

The tragedy was discovered by Mr. and Mrs. William Grant of Napa, Tahoe vacationists, and Leisel Meyers of Tahoe City. They were attracted to the scene by the constant blowing of the horn on the sheriff's car which had apparently stuck during the crash.

Constable Harry Johanson was called and took charge of the body which was later removed by Coroner Francis West of Colfax. West, by virtue of his office, becomes sheriff until a successor to Elam is named by the supervisors.

This is the third time West has been called on to act as sheriff. The first time was when Sheriff Elmer Gum died. He served until Charles B. Silva was appointed. When Silva died in office, West again took over until the appointment of E. J. Kenison.

The coroner's first act was to reappoint all of Elam's deputies to serve until a new sheriff is named. Bob Nave, undersheriff, will continue in his present capacity and will be responsible to West for assignments within the office.

Sheriff Elam was a native of Texas but had lived at Roseville for years. He was chief of police there for two years before his election as sheriff. He is survived by his wife and a son and daughter, five brothers, two sisters and his mother.

### HOOLEYS LEAVING SUGAR BOWL FOR ARIZONA RESORT

Mr. and Mrs. Gordon Hooley plan to leave next week for Castle Hot Springs, Arizona, where the former will take over the management of the resort there for the winter months. En route they will attend the hotel managers' convention at Palm Springs October 13.

Hooley is being succeeded as manager of the popular Sugar Bowl Resort on Donner Summit by Arthur (Skip) Mansfield, who has arrived from Washington, D. C., to assume his new duties. He has managed the winter resort at Alta, Utah, and is familiar with the work he is undertaking for the Sugar Bowl Corporation. He is not married.

The Hooleys are well known throughout this region, where they have resided for many years and their departure will be regretted by their many friends. Their twin children, Nancy and Barton, currently are attending school in Utah.

### Truckee Eastern Star Welcomes Grand Matron

Truckee Chapter, Order of Eastern Star, honored Worthy Grand Matron, State of California, Lois Blodgett Tamba, at a banquet held at Donner Lake Lodge and a reception at the Masonic Temple Tuesday evening.

Many grand officers were present, as well as many officers and visitors from various districts. Alberta Nelson rendered two vocal selections, accompanied by Ametta Firpo. Refreshments were served afterward.

### Sun Beams

by Walter M. Jarrett

Two fatal accidents in this area during the recent storm should serve as a grim reminder that wet or icy pavements present a terrific hazard for driving and that more than usual care should be exercised. This is a good time of the year to have your auto thoroughly inspected for tires, brakes, windshield wipers and other wet weather necessities. At the same time, it might be a good idea to have anti-freeze checked as the temperature is dropping below the freezing mark.

The Child Safety Campaign now currently being held serves to remind us of the need for protecting the youngsters from modern day hazards. It isn't merely a matter of greater safety on the streets but in the home as well. The exercise of common sense can do much to prevent unnecessary tragedies which mar the lives of children. Safety education is something which must be kept at continuously in the school, but it is equally important for adults to stay alert on child safety. It's a simple matter to be careful. It can be a sad matter if you're not.

### DOE SLAYING COSTS HUNTER \$500, GUN; OTHERS CHARGED

For killing a doe in the Alder Creek area, Lewis Fratis Monday was fined \$500 when he appeared before Justice of the Peace Foster Wilson.

Arrested with Fratis by local game wardens were Joe Bernard, former local man, who will appear Saturday in the local court for possession of a doe, and Albin Z. Fray, charged with having a loaded rifle in his car.

All of the men are from West Sacramento. Bernard's bail was fixed at \$200 and Fray's at \$20.

Aside from the \$500 fine, Justice Wilson confiscated Fratis' rifle.

### 365 SIGN SCROLLS, GIVE \$100 DURING FREEDOM DRIVE

Jack Ellis, local chairman of the Crusade for Freedom which was sponsored here by the Truckee 20-30 Club, announced that the eight-day campaign here brought 365 signatures on the Freedom Scrolls and \$100.35 to aid the fight against communism on its home ground. The money will be used to help support Radio Free Europe, Radio Free Asia and the Winds of Freedom balloon barrage of Iron Curtain countries.

Ellis extended thanks to all who aided in the drive and singled out the Wyethia Club and the following ladies who circulated the scrolls and "manned" the booths: Mrs. W. A. Loynd, Mrs. Stan Zwarg, Mrs. John M. Rablin, Mrs. G. E. Lewis, Mrs. Cliff Ellis, Mrs. Charles Kay, Mrs. William Schull and Mrs. Jack Ellis.

### Musical Program For Friday Wyethia Meet

A musical program will be heard following the business meeting of the Wyethia Club to be held Friday evening, October 5, at 8 p.m.

Mrs. John M. Rablin is chairman of the committee in charge of the tea hour. Assisting her will be Mesdames Omar Alexander, John Street and Clifton King.

### Tahoma Resident Treated For Mushroom Poisoning

Mrs. Joseph Fara, well known Tahoma resident, was treated this week for a severe case of mushroom poisoning after eating mushrooms which she gathered near her home. She was rushed to Dr. L. D. Nelson, who worked for several hours before the stricken woman was out of danger.

### Mark Wedding Date—

Mr. and Mrs. A. P. Leitch celebrated their wedding anniversary on Monday, October 1, during a trip to Canada. They were accompanied by Mrs. Harriett Leitch of Sacramento on the northwestern tour.

### Truckee Couple Buy Mattheus' Furniture Store

#### Leamons Take Possession Monday; Well Known In This Area

Mr. and Mrs. Robert G. Leamon this week announced the purchase of Mattheus Furniture Store, located at the Gateway Shopping Center. The new owners took possession Monday.

H. E. Mattheus sold his Truckee store so he can devote his full interests to the furniture store he owns at Carson City, Nevada. The family will continue to maintain their home at Lake Tahoe.

The new owners are widely and favorably known in this district, where both attended local schools before graduating. With the exception of the four years he spent on active service with the Navy during the war, both have made their homes here since childhood. They own their home here and have three children.

The store is well stocked with new and modern home furnishings, floor coverings and accessories. Prices will conform with mail order firms and this, coupled with personalized service, should assure the new owners of patronage from the entire shopping region. Resort and other business owners as well as home owners are invited to contact the new firm, to be known as Leamons' Furniture.

Leamon, who has been associated with the Mountain-Rotary Fuel Company since his discharge from the service, will continue to be employed there for the time being, with Mrs. Leamon temporarily in charge at the store.

"This is our first venture into the business world," Leamon declared, "and we will welcome constructive suggestions from our potential customers. It is our desire to please and we sincerely invite your patronage. Drop in anytime, we'll be glad to see you."

### SCHOOL TRUSTEES SEEKING BIDS FOR BUS AND TRACTOR

The governing board of the Tahoe-Truckee Unified School district this week is advertising for bids for two pieces of equipment, a 67-student capacity school bus and a medium weight tractor. Bids will be opened at a meeting to be held Monday, October 22, at 8 p.m.

The new bus is required to handle the increased number of students being transported from Lake Tahoe to the new high school and for the 60 or 70 kindergarten pupils added to this year's enrollment in the elementary schools, W. A. Loynd, president of the board, announced.

The tractor will be used primarily for the purpose of snow removal from school property and for necessary landscaping and general heavy duty.

### LITTLE BY LITTLE NEW HIGH SCHOOL IS NEARING FINISH

Little by little, the Tahoe-Truckee High School is being completed and this week two more rooms were opened—the library and shop—which are being utilized as class rooms for the more than 200 students enrolled.

Some confusion still prevails as the result of the incomplete structure, but each day sees order being gained and within a short time it is hoped they will be able to start routine procedure. E. V. O'Rourke, district superintendent, declared.

### Former Principal Busy Teaching and Learning

Regards to their many local friends were contained in a brief note from Mr. and Mrs. Arthur Eve at San Jose. Eve, principal of the Truckee elementary school last year, is employed in the Lowell School at San Jose and is enrolled for evening and Saturday classes at Stanford. Mrs. Eve is continuing her work in the diet kitchen O'Connor's Hospital.

"We enjoy the 'Sun' and are vitally interested in the news and progress of Truckee," they wrote.

### Plans Complete For Buck Stew Here On Sunday

Preparations have been completed for the annual Truckee Outdoor Sportsmen's Buck Stew to be held Sunday afternoon at 2 o'clock in the Capitol Hall.

The cooks, Johnny and Julia Ciardella, assisted by a committee of sportsmen, have planned the menu which will include an abundance of venison and the trimmings. The feed will be served as long as anyone wishes and seconds will be available.

A number of gifts have been donated for the occasion, including a \$30 rifle. There is no charge for the stew and program and everyone is invited to attend.

### CHARLES OSBURN LEASES Y STATION, WILL MANAGE TWO

Announcement was made yesterday that, effective immediately, Charles V. Osburn, manager of Osburn's Associated Service Station in Truckee, has leased the Associated Y station at the Truckee-Tahoe wye, one mile west of here on Highway 40.

Osburn will manage both stations and has employed Walter (Bud) Ramsey to take charge of the Y property. Ramsey is a competent auto mechanic and will be available for all minor repair jobs as well as offering all automotive services, Osburn said.

Charles Osburn took over the station here nearly two years ago when his brother, Clarence, the former manager, purchased the Brunk Garage and converted it into Osburn's Buick Garage. The same courteous service and fair practices which have made the Truckee station so popular will be employed at the Y station, the new owner said.

Associated products, auto accessories and kindred services will be available at the Y station, which will be open from 7 to 9 during week days and as required on weekends and holidays and during storms in the winter.

### School-Age Youngsters Vehicle Toll Too High

SACRAMENTO—(C. N. S.)—The high traffic toll of 120 children from five to 15 years of age killed last year and 8,323 injured brought a warning from Clifford E. Peterson, state highway patrol commissioner.

Peterson said it is up to the motorist to halt the continued slaughter of youngsters.

"Adults can help stop this killing and injuring of our children by slowing down to 15 miles an hour or less when children are there," Peterson said. "Drivers must expect the unexpected from children and be extra alert when traveling in school zones and crossings for children.

"Every child should be treated as a 'caution sign,'" he declared. Some school crossings will be safer this year because of the legislative authority to establish flashing lights. Also, the installation of flashing red lights on school buses is expected to add to the safety of the young people.

### Old Grand Jury Held On Job by Judge Snell

NEVADA CITY—Nevada County's grand jury, impaneled March 28, 1949, must serve on a while yet.

Superior Judge James Snell said the reasons were developments at Sacramento and the jury's earlier delay in preparing its final reports. The jury now has its reports ready. But, since Judge Snell asked for them several months ago, the state legislature has made wholesale revisions in the laws pertaining to grand juries. These will make it necessary for the judge to rewrite the instructions he had prepared for a new grand jury, and the rewriting cannot be done without further study of the changes.

### Winter in Auburn—

A. J. Rodriguez of Tahoe City will spend the winter at Auburn.

### New Bus Driver—

Mike Soltau of Tahoe City has been employed as bus driver by the Tahoe-Truckee Unified School district.

## Truckee Bridge Building Will Be Discussed Soon

### County May Rent Pre-Fab Span During Building Of New Bridge

An agreement entered into between the County of Nevada, Crandall Brothers, C. A. Tollefson and the Sierra Pacific Power Company has solved, temporarily at least, the problem created by the collapse of the old wagon bridge across the Truckee River at Bridge Street.

H. G. Loehr, chairman of the board of supervisors, announced following the meeting of the board Monday that for the time being the county is taking over the private bridge erected several months ago by Crandall Brothers for hauling logs and lumber to and from their mill on the south side of the Truckee.

In the meantime, Loehr and other members of the board are studying the various proposals for further relief and a special meeting of the supervisors will be held on Saturday for the purpose of determining what action to take. The temporary bridge, owned by the Crandalls, will not be suitable during winter months because it is too low and access rights of way would be difficult to keep free of snow, Loehr pointed out.

### Plan Bailey Bridge

Loehr said it is quite possible that a prefabricated Bailey bridge will be rented and installed across the river where the old bridge was wrecked ten days ago by a heavy truck and trailer.

The Bailey bridge can be rented, Loehr said, for approximately \$800 per month for a 150-foot span. The county also would be required to pay for transportation and installation, totaling in the neighborhood of \$6,000.

### Study New Span

In the meantime plans will go forward toward the construction of a new span which engineers estimate will cost roughly \$100,000 and require a year to build. Rights of way must be secured and legal means of financing the construction must be met, Loehr said. During the process of building, rental on the temporary Bailey bridge will run about \$9,600.

The building will be started just as soon as possible and will be given a high priority, the supervisor said. It will be erected just west of the old bridge and in a direct line with Bridge Street.

### To Fix Responsibility

Authorities are continuing to study the responsibility for the breakdown of the ancient span and Loehr said efforts are being made to fix values and damages.

Some residents on the south side of the river have been virtually isolated since the bridge fell. Others have used the narrow foot bridge maintained by Elden Tonini of the Truckee Water System. A number of children have been absent from classes because of their inability to cross from their homes.

Loehr said he will recommend improvement of the approaches to the Crandall bridge to make the thoroughfare as passable as possible under the circumstances.

### Thimble Club Raises \$500 for Civic Work

The Thimble Club met at the home of Mrs. Charles Heller Tuesday night. It was the last meeting of the year.

Members enjoyed a delicious pot luck dinner preceding the short business session, at which time the proceeds of club activities were divided between two local churches. This was the community project for the year. In three summers the members have given of their time and money close to \$500 to worthwhile community projects.

The evening closed with games and refreshments.

### Newcomer Accepts Job At Rose Bros.' Market

Tim Willoughby, a comparative newcomer to Truckee, has accepted a position with Rose Brothers' Market here and will replace Harvey Hocker, who is joining the staff of the Mountain-Rotary Fuel Company. Willoughby has a family and they plan to reside here permanently. Hocker has been with Rose for several years as assistant manager of the local store.

### Road Chief's Mothers Is Buried on Monday

Funeral services were held Monday morning for Mrs. Mary O'Connor, 90, mother of Joseph O'Connor, Nevada County road commissioner, who died at a Nevada City hospital Friday after a long illness. She had been a resident of Nevada County for many years and was widely known.

### ON GRAND JURY

Stanton Meyers of Al Tahoe and Truman Sunkel of Tahoe Valley are members of the El Dorado County grand jury, recently impaneled by Superior Judge Thomas Maul.

The tenure of this 19 member jury may be short as the judge is seeking to establish a jury on a calendar year basis and may terminate this one next spring or early summer to facilitate this program.

BY PROCLAMATION, Nevada's 87th year as one of the 48 states will be observed at Carson City October 31. Governor

Charles H. Russell reads the proclamation to Mrs. Kenneth Johnson, Mrs. James Foster and Mrs. Roy Whitacre, all of the capital city. The women are wearing original costumes of the period when the Silver State was taken into the Union.

### NEVADA BIRTHDAY FETE INVITATION ISSUED BY RUSSELL

Governor Charles H. Russell has proclaimed Wednesday, October 31 as "Nevada Day," and in so doing has made official the observance of the 87th anniversary of Nevada's acceptance into the Union.

The proclamation, signed this week at Carson City, reads: WHEREAS, Another milestone in Statehood will be reached by Nevada on October 31 when Nevadans everywhere join in the commemoration of the eighty-seventh birthday of the "Battle Born" State; and

WHEREAS, This day cannot pass without our thoughts turning to the pioneers who crossed the plains of the Middle West in the quest of gold, adventure or a new way of life. Nevada's great mineral wealth was unearthed by these pioneers who stopped in Nevada on the westward push or who returned here in the backwash of the California gold rush; and

WHEREAS, Progress was marked by the hardy spirit of these

men and women and the far-sightedness of empire builders who stretched twin ribbons of steel across our State to bring us the railroads. Other sources of wealth were tapped in sequence, such as our great livestock ranches, our farming areas and our great waterpower source at the southern tip of our State; and

WHEREAS, Today Nevada is fortunate in playing a key role in the development of man's newest discovery—atomic power. We hope that our State can play a part in turning this unbridled force—now only a weapon of war—into a gainful tool of peace; and

WHEREAS, It is fitting and proper that Nevada pauses today to recall to memory those early settlers who endured privation and conquered fear to carve out of a wilderness our sovereign State. Nevadans should rededicate themselves today to a goal of building our State and our Nation to greater heights against more modern enemies, but with the same steadfastness of purpose.

NOW, THEREFORE, I, CHARLES H. RUSSELL, Governor of the State of Nevada, by virtue of

the authority in me vested by Sec. 3308.01, Nevada Compiled Laws, 1931-41 Supp., do hereby proclaim Wednesday, October 31, 1951, as Nevada Day and a legal holiday.

To observe properly this historic occasion, all State, County and Municipal offices, and the University of Nevada, shall remain closed this day. It is my wish that all places of business throughout our State, where convenient, remain closed during the day to allow their personnel an opportunity to join in ceremonies marking this anniversary. Our State Capital, Carson City, will again be the focal point of our birthday celebration. Committees are giving untiringly of their time and effort to present a splendid program for the thousands of visitors, both young and old, who will crowd Carson City.

It is my wish that all residents put forth every effort to come to our State and our Nation to greater heights against more modern enemies, but with the same steadfastness of purpose.

### CAR BURNS ON WAY TO LAKE VACATION, LOSS SET AT \$7,000

Damages of about \$7,000 were reported by Movie Producer Z. Wayne Griffin and his wife after a fire destroyed their automobile on a southern approach to Lake Tahoe.

They told highway patrolmen that they stopped the car when they noticed smoke billowing from the brakes. As they got out, flame swept around the wheel and ignited the gas tank.

Destroyed were luggage, cameras and a number of expensive

playing throughout the State the flag of our country on all public and private buildings.

Signed by CHARLES H. RUSSELL.

guns. The couple were on their way to meet Clark Gable for a brief vacation at the lake. Three of the guns, Griffin said, belonged to the actor.

A passing motorist gave them a lift into Carson City where Gable met them and drove them to his Lake Tahoe vacation location.

### School Enrollment in State Nears 2,000,000 Mark

SACRAMENTO —(C. N. S.)— Dr. Roy E. Simpson, state superintendent of public instruction, says between 1,875,000 and 1,900,000 children, nearly 20 per cent of the state's population, are attending public schools in California. He pointed out that there is known need in distressed school districts for construction totaling \$30 million more than has been spent on added school facilities.

## SUMMIT SCENE

by FRAN COUILLARD

It's good to be home again! We have learned that time is comparative. Our neighbors say, "Thought you'd be gone much longer" or "back so soon?" (as tho' we had deceived them). But to us a couple of weeks of hospitalization was an eternity. Our neighbors act as tho' nothing had changed. They don't realize that mountains close to heaven look much greener, are more magical than eerie wisps of bay fog. They don't know that stars are yours for the reaching, after seeing infinitesimal specks of light flickering through the smoke of the city. Their ears attuned to rushing water, wind in the pines, the soft symphony of nature, are not jarred by the raucous noises that emanate from pavements. Yep, it's good to be home again.

Before we go further, we wish to thank Bernice Batterton for taking over in our absence. Bernice gave us the opening we usually seek for our first blast when she said "Couldn't seem to get very much for for Summit Scene, even tho' I used the telephone to secure news. People in this area

aren't very publicity minded, are they?" For a newspaper gal who came from the Redwood Empire, whose publicity is subsidized by seven counties, we know that she must have found the "pickings" pretty bewildering. In our "years" of absence as we were forced to recline on our back, we had (out of many) two attendants, one a Filipino lad, an interne, whose parents had been murdered before his young vision. He worked hand in hand with a Japanese interne. These two had a common interest. Both were in training to take back to their respective countries the progress they could acquire in modern medical education. Gone were racial prejudices, forgotten the brutalities of war. One interest made them one, the furthering of national standards and the soothing of the suffering. There was an organization incomparable. We had put down our cudgel, as we have oftentimes said, and swore we would do nothing to help bring our people together to make an efficient, organized and harmonious world of our own but what we have witnessed and experienced makes us ashamed of our lack of vision and faith. If we have nothing to offer personally, we still have a bead to put on the string of opening the channel to those

who know not what our country holds for them. (This is a beautiful Eden. Not one of us needs must tarry here. We are here because we want to be. And all we are trying to say is let us work together. There is another movement to form a mountain chamber of commerce. This might be the answer.

A new foundation east of the Soda Springs Hotel means another building. Hear that this will be the new ski shop for that ever-growing edifice and that same will be under the capable management of Bud and Barbara Zorich. Popular Tony and Eve Donadio, formerly of Donner Summit Lodge move in the beautifully furnished apartment of Rainbow Tavern as they take over the management. Well known Gordon Leathers, a PG&E executive who has spent more than a little time at Donner Summit Lodge during the past few years, slips a diamond ring on the finger of June Tabbscott this past weekend at Donner Summit Lodge where June vacations and recuperates from a recent operation.

From Beacon Hill Lodge, Jeanie Moriano leaves to undergo an operation in a Reno hospital. Jeanie is getting along fine and is expected home this mid-week. She and I won't be able to have our afternoon tea parties for a while tho', for we both are in the state known as recuperation, but it won't be long, Jean.

But away from these operations and recuperation deals. Let us tell you of something more cheerful! Lonnie Goss's small son, Bobby, for instance, who returns from the Lola Montez country, sunburned nose elevated, pack horse following. The kid had, draped over the saddle of the pack animal, a beautiful buck.

Or we might mention Pat Woodward's birthday party of October 1. Pat and Jack Woodward, Betty and Bud Horak celebrated Pat's natal day together with a dinner and floor show in the state of Nevada. The Couillards were supposed to tag along as it also was their wedding anniversary but can't quite make all of these social functions as yet, we are finding out.

We also could say that we received a note today from Muriel Jones which invites us to see her and Dennis Jones off for Honolulu on October 4, which promises to be a lot of fun.

And we can tell you that we had a Sunday night super-duper dinner prepared in Earl and Roy Beckwith's trailer house, planted in the back yard of Donner Summit Lodge. We never knew a trailer house had so much room and could be so darned comfortable.

Bill Gray of San Francisco and Soda Springs adds an extra room on his chalet type domicile. "For company," Bill says.

As we write this the dreaded shriek of "fire" shattered the usual mountain stillness of a rainy day. Wisps of smoke exuded from the room above the glassed entrance of the Soda Springs Hotel, bringing help from every lodge and domicile on the hill. U.S. Forest Service, Southern Pacific fire train

**STATEMENT OF OWNERSHIP, MANAGEMENT AND CIRCULATION REQUIRED BY THE ACT OF CONGRESS OF AUGUST 24, 1912, AS AMENDED BY THE ACTS OF MARCH 3, 1933, and JULY 2, 1946 (Title 39, United States Code, Section 253) Of Sierra Sun and Truckee Republican published weekly at Truckee, California, for October 1, 1951.**

1. The names and address of the publisher, editor, managing editor and business manager are: Publisher Walter M. Barrett, Truckee, Calif.; Editor Walter M. Barrett, Truckee, Calif.; Business Manager Harriett K. Barrett, Truckee, California.

2. The owners are Walter M. Barrett, Truckee, California; Harriett K. Barrett, Truckee, California; Douglas Barrett, Truckee, California.

3. The known bondholders, mortgagees, and other security holders owning 1 per cent or more of the total amount of bonds, mortgages, or other securities are: None.

4. Paragraphs 2 and 3 include, in cases where the stockholder or security holder appears upon the books of the company as trustee or in any other fiduciary relation, the name of the person or corporation for whom such trustee is acting; also the statements in the two paragraphs show the affiant's full knowledge and belief as to the circumstances and conditions under which stockholders and security holders who do now appear upon the books of the company as trustees, hold stock and security in a capacity other than that of a bona fide owner.

5. The average number of copies of each issue of this publication sold or distributed, through the mails or otherwise, to paid subscribers during the 12 months preceding the date shown above was 970.

Walter M. Barrett, Publisher Sworn to and subscribed before me this 26th day of September, 1951. C. B. WHITE (Seal) My commission expires April 16, 1953.

## NEW REGULATIONS IN EFFECT FOR LOGGING TRUCKERS

New safety regulations for logging and lumber trucks, effective September 22, have been received by justices of the peace and members of the California Highway Patrol.

Because there are no copies available yet for general circulation, the highway patrol has provided the following brief version pointing out that any violation is a misdemeanor punishable up to \$500 fine and six months imprisonment.

**LOGGING TRUCKS**  
Binders: Two or more logs or poles high, four binders evenly spaced, one binder firmly attached to rear bunk. Over six high, six equally spaced binders, including short wrappers.

Short logs on top of load must be secured to lead by two binders. Bunks: May not be bent down more than one inch at either end. Trailers and dollies carried on truck must have four-inch side chocks to prevent slipping to side.

**LUMBER TRUCKS**  
Binders: Not more than one binder to a winch or fastener. Shall not be closer together than winch or tightening devices to which they are fastened. Shall be inspected before entering highway and periodically en route. Shall not be less than one foot from each end of shortest length in top course.

Loads five feet high or less, two binders if length of lumber does not exceed 12 feet. Loads over five feet high, three binders. Lath, as above but add one binder.

California's largest producer of cheese is located in Glenn County.

all prepared to fight a blaze that might have developed into some magnitude had it not been raining, had there been a good stiff breeze, had it occurred in the middle of the night. However, the smoldering fire was quickly gotten under control and all that remains is the pungent odor of smoke.

Dick Buek grins delightedly as he signs for the registered package that means his passport for the Winter Olympics has arrived. It won't be long now until we'll be sitting with our fingers crossed as California's champion, "The Mad Man of Donner Summit," is over there seeking the glory that will reflect on his native Donner Summit.

We close saying again we are happy to be home and don't forget to let us know what's cooking so that we might make your news everybody's news.

## DISTRICT CHURCHES FEATURE SPECIAL RITES ON OCTOBER 7

World-wide Communion Sunday will be observed in the Community Methodist Churches at Truckee and Kings Beach on October 7, reports Rev. A. A. Carmitchel, pastor of the two churches.

At the same time he announced a new schedule for services at the churches. In Truckee, Church School will begin at 9:30 a.m. with worship service at 11 o'clock. In Kings Beach, worship service will be at 9:30 a.m. and Church School at 10:30.

"Once each year your church calls upon you in a special way to be present for a communion service," Rev. Carmitchel declared. "This a sacred day, one of the most significant in the Christian Calendar. Multiplied millions of Christians of all denominations, of all races on every continent, and the isles of the sea will attend the services at their own churches in remembrance of Him who said: 'This do in remembrance of me'; partake of Christian fellowship and devote themselves in mind and heart to world peace."

## Radio Operators Exams Scheduled at Reno

Examinations for commercial and amateur radio operator licenses will be held in Reno Friday, October 12, Room 323, Post Office Building, has been reserved for this purpose and examinations will commence at 8:30 a.m.

An applicant holding a radio operator's license which may be superseded as a result of this examination should bring his license with him in order that it may be surrendered to the examining officer.

It is planned to hold radio operator examinations in Reno annually hereafter. The date of examination will be during the second or third week of October. Information concerning radio licenses may be obtained from the engineer in charge at the above address.

## 14 Lions Killed in State During Single Month

SACRAMENTO —(C. N. S.)—Lion hunting is good in California, the state department of fish and game reported to Governor Earl Warren.

During the past month, 14 mountain lions were bountied, eight of these being taken by private hunters.

Kinishba, in Arizona, was built and inhabited continuously by prehistoric Indians from 1050 to 1530 A. D.

## LAKE TAHOE LIONS HOSTS TO CUBS AT MEET TUESDAY

KINGS BEACH—The Lake Tahoe Lions Club was host to 17 Cub Scouts from the North Tahoe area at their meeting Tuesday night at Cal-Vada Lodge. Accompanying the boys were the Den Mothers, Mrs. Pauline Schrader of Tahoe Vista and Mrs. Leona Graton of Kings Beach, and Emile Recorden, Kings Beach, assistant Cubmaster.

Other guests were Alfred F. Sanford, Tahoe City; Donald Painter, Lake Forest; John Doherty, Carson City publisher, and Floyd Lowe, Palto Alto Lion.

During the evening, Lowe added \$25 to the Lions Club's \$50 donation to the Cub Scouts.

President Harry Charrison presided. The club meets each Tuesday at 7 p.m. at Cal-Vada.

## Coastal Deer Hunters Score Record Kill

California hunters scored a record annual harvest of deer in the early coastal season, it is indicated by deer tags returned to the department of fish and game.

More than 17,000 bucks were taken between August 7 and September 16, with late reports expected throughout the month. Final compilations are announced in January.

Incomplete tallies showed that Mendocino County held its place as the top deer hunting area in the early season. More than 3100 tags reported a buck taken there, compared with 2300 in 1950.

Hunters in Lake County accounted for at least 1850 deer with more than 1200 scored for Sonoma County.

### LAKE TAHOE BARD MOST PROLIFIC OF POETS OF PACIFIC

TAHOE CITY—Recent noted visitors at Lake Tahoe were Mr. and Mrs. Jan Kujawa of San Francisco. They were guests at the home of Mr. and Mrs. C. W. Vernon. Kujawa is executive secretary of Poets of the Pacific and was compiler and editor of the volume "Dawn", the 1950 anthology published by that organization which contained the names of many present day poets of note.

Mrs. Vernon, who has written hundreds of nature poems, as well as several books on hiking, hunting and fishing in the Lake Tahoe area, was recently appointed dean of trustees of the Poets of the Pacific. Her duties consist of such tasks as promoting conventions and other literary gatherings, calling meetings and developing new ideas and literary projects of various types. She is now working on a new idea which will change the organization's quarterly magazine, "Poets' News Letter," into a monthly, and changing its name. Kujawa has compiled a new form and Mrs. Vernon is working now to perfect it and add more interest to its contents. She plans to publish a number of poems in each issue and to establish a section for letters with good suggestions for poets. She will be the editor when it comes out.

Mrs. Vernon was given an award of honor from Poets of the Pacific for having the most lines in the 1950 anthology, twice as much as most contributors and more than any other contributor. Her appointment as dean of trustees followed. Mrs. Vernon has issued an invitation to any poet of the west to submit samples of their work to her, mail address Tahoe City, three poems of approximately 30 lines, not more, for inspection with an eye to membership in the organization. Later the contributor may be in line for contributions to the 1952 anthology. Artist members pay dues of \$5 annually and associate members or beginner poets, pay only \$2 per year.

### Distaff Golf Tournament Turns Up First Ties

TAHOE CITY—An impromptu ladies golf tournament was held September 26 on the Tahoe City links for ladies of the Tahoe and Truckee region.  
The match found Lela Swanson tying for first with Betty Starratt for low gross score, followed by Jean Henry, Martha Snyder, Florence Waters (Truckee) and Becky Shontz.

Low net score was tied three ways with Bernie Becholdt, Beulah Carnell and Gladys Dolley (Truckee) all vying top honors. They were followed by Jacquie Titus (Truckee), Ruth Mayfield, Patti Scott and Elsie Becholdt.

### FREEDOM OF PRESS, YOURS LINKED SAYS GOV. WARREN

SACRAMENTO —(C. N. S.)—Governor Earl Warren proclaimed October 1 to 8 as Newspaper Week in California. In his proclamation the governor said:  
"In the light of recent international events, our cherished right of freedom of the press takes on added importance. For as we consider the ugly pattern of aggression by forces seeking to dominate the world, we find that the gagging of the press is invariably a prelude to the destruction of free government."  
"We have reason to take pride in the alert and vigorous press that has been built up in our Nation under our traditional freedom of thought and expression. We cannot, however, assume that it will always be that way. In our hemisphere, we have witnessed the death of LaPrensa, one of the world's great newspapers. Elsewhere, we have seen the perils that beset the men and women of our free press in their pursuit of the truth. We have the example of William N. Oatis, now incarcerated behind the Iron Curtain in a mockery of justice by oppressors who know that the printing of the truth interferes with their aim to destroy individual rights and freedom."

"In view of these and other disturbing events in the world today, it is appropriate that the slogan 'Your Newspaper Lights the Way of Freedom' has been selected for the 12th annual observance of National Newspaper Week."  
"In co-operation with this program of the free press of our Nation, I, Earl Warren, Governor of California, do hereby proclaim the period October 1 to 8, 1951, as Newspaper Week in California. I urge that all the people of our state take the opportunity during this period to become more familiar with the services and facilities offered by their community newspapers and their contribution to the preservation of our way of life."

**Winkanders to Tahoe—**  
The Victor Winkanders are returning to Tahoe City after spending the summer at their home near Georgetown.

### Welcome Rains Begin Tahoe Weather Week

TAHOE CITY—A long awaited rain storm opened up here Sunday evening at 7:30 and in the first 12½ hours left .10 of an inch precipitation and was continuing gently but steadily. High and low daily temperatures for the week ending Monday, reported by A. E. Frodenberg, were:  
Sept. 24th: 72, 35; 25th: 69, 37; 26th: 65, 34; 27th: 69, 36; 28th: 63, 32; 29th: 63, 32; 30th: 64, 35; Oct. 1st: low, 42.

With one gate open, the level of Lake Tahoe Monday morning was 6227.40.

### Bear Hunting Season Opens October 13

One of the most rugged of all outdoor sports, bear hunting, becomes legal in most of California one-half hour before sunrise Saturday, October 13.

November 1 is the opening date in Siskiyou, Trinity, Shasta, Lassen, Modoc and Plumas Counties, with both seasons closing December 31. There is no closed season or bag limit in Del Norte, Humboldt and Mendocino Counties.

Two bears is the bag limit for the 80-day season, while only one bear may be taken in the six-county late season area.

According to the department of fish and game, bears may be taken with firearms or bow and arrow. Trapping is prohibited. During open deer hunting seasons, hunters may use only one dog in taking bears or deer or both.

### Ranks of Predators Cut By Hunters, Trappers

The ranks of four-footed enemies of California's beneficial wild and domestic animals were lessened by 860 predators during the month of August, it is reported by the department of fish and game.

Hunter-trappers employed with money from the state fish and game preservation fund accounted for 421 coyotes, 125 bobcats, 48 porcupines and 37 skunks in the monthly bag.

### TAHOE LAKE P. T. A. SPONSORS DANCE FOR SCHOOL PUPILS

TAHOE CITY—The next meeting of the Tahoe Lake Parents and Teachers' Association will be held in the Tahoe Lake School auditorium on Thursday evening, October 25, at 7:30. The evening meeting has been arranged in order that husbands and fathers may attend, as well as any other residents interested in the organization. Children of the 4th, 5th and 6th grades, under the supervision of their teacher, Mrs. Robert Briggs, will entertain the group at the conclusion of the business session and refreshments will be served.

At the meeting on Thursday, September 27, Mrs. Mary Stark presided in the absence of a president, Mrs. June Grinstead, former president, having resigned and moved away. Mrs. Charles Mansell of Squaw Valley was unanimously elected to be the new president.

It was voted to sponsor a membership drive, with a prize to be awarded the children of the class bringing in the greatest number of new members.

The PTA will also sponsor a dance for the 4th, 5th and 6th grade youngsters on October 5 in the school auditorium, with cookies and soft drinks at intermissions. Chaperones will be Mrs. Dick Boyce, Mrs. C. O. Schrader and Mrs. Robert Briggs. Hours will be from 7 to 9 p.m. If the dance proves to be a success, it will be repeated every other Friday night.

It was voted to purchase a Newcomb record player and amplifier costing \$200 as the PTA's project of the year. The sum of \$150 will be contributed by the Tahoe Lake PTA, the balance to be requested from the district school board.

### TAHOE ITEMS

Guests at the Ivan Wilson home in Lake Forest over the weekend were Wilson's brother and sister-in-law, Mr. and Mrs. Leo Wilson,

who were accompanied by their son-in-law and daughter, Mr. and Mrs. Eddie Adams and son, George Leon, all of Redwood City. The group were hosted to dinner by the Wilsons at Conger's Cafe on Sunday and while here Adams enjoyed his first trout fishing.

Mr. and Mrs. Milton Shontz and children, Jayne and Bro, motored to Lodi over the weekend to visit with Mrs. Shontz' parents, Mr. and Mrs. D. M. Brodehl. Shontz returned to Tahoe Monday but Mrs. Shontz and the children will remain for several days with her family and then go on to Sacramento where they will be guests of Mrs. Herman Rauh.

Mr. and Mrs. John Flagg of Tahoe Park have returned from a visit to the bay area.

A meeting of the board of directors of the Lake Tahoe Chamber of Commerce has been called for Thursday evening, October 4, in the chamber office in the Kilner Building, Tahoe City.

Mr. and Mrs. Jack Starratt have returned to their Tahoe City home after a week's vacation at Carmel-by-the-Sea.

Homewood residents who have changed to lowland addresses this week include the A. R. Spechts, who have gone to San Francisco; the W. A. Tiffany's are in Stockton and W. C. Johnson has left for Van Nuys.

Don Huff has closed his Homewood Resort, the family spending their time between there and Woodland during the coming months.

On October 4 a party of hunters will leave Tahoe for their annual deer hunt at Elko, Nevada. The group will include Carl Bechdolt Sr., Carl Bechdolt Jr., Bob Seates, Elsie Luhrs, all of Tahoe; E. E. Boehm, Truckee; Dr. W. R. Jones, Walter Whitman, Bill and Earl McDermott, Rudy Bode, Johnnie Alves and Jack Dempsey, all of Pittsburg.

### Mr. and Mrs. Ernest Pomin Honored On Golden Wedding Anniversary

TAHOE CITY—One of the loveliest celebrations ever held at Lake Tahoe was that on Saturday last September 29, which honored Mr. and Mrs. Ernest H. Pomin of Tahoe Park Cottages on their 50th wedding anniversary.

Thirty four members of the family and friends gathered at the lovely home of their son and daughter-in-law, Mr. and Mrs. Stanley Pomin of Tahoe Valley for a day of festivities, which included the taking of colored motion pictures and a gay day of visiting with old friends and family members.

Mr. and Mrs. Pomin were married in Tahoe City on October 2, 1901, the Rev. Hilam O. Edson pastor of the Methodist-Episcopal Church of Truckee officiating. The bride, the former Northrup Mathewson Felter, wore the traditional white then but on Saturday last chose a black lace gown which was set off by gold jewelry worn by her mother way back in 1888 and a crown in her silvery hair which was given her by George Pomin on the occasion of the couple's 25th wedding anniversary. A cluster of lovely orchids adorned her shoulder.

Champagne flowed freely prior to the serving of the delectable banquet which included turkey and ham, salads and tasty dishes of all descriptions, to say nothing of a huge and beautifully decorated cake which was cut by the honorees. The long linen covered table

was adorned with flowers and shining silver and the cake was a work of art, gold leaves and filigree decorating its broad expanse with a tiny bride and groom dressed in gold at its crest.

The Pomin, pioneers of the Lake Tahoe area, were blessed with four children, three sons, Harry, Stanley and Robert, and a daughter, Nellie now Mrs. Boge of San Francisco. Eight of their ten grandchildren were present and one great grand child, four months old Mathew Allan Faulk, son of their granddaughter, Betsy (Mrs. Robert Faulk of San Francisco), who attended with her husband. Besides great grandparents, the E. H. Pomin, the maternal great grandmother, Mrs. Bessie Hetzer of San Francisco, was also present.

Among the guests present who were also present at the wedding of the couple in 1901 were J. E. Pomin of Idlewild, Miss Ida Pomin and Robert Watson of Tahoe City.

Others who enjoyed the delightful anniversary observance were Stanley Pomin Jr. and Beverly Gay Pomin, children of the hosts; Miss Kay Wagar, Tahoe Valley; Mr. and Mrs. Robert Pomin of Tahoe City and children, Duane, Randolph and Danelle; Mrs. Nellie Boge and daughter Barbara; Miss Ada Sweet of North Hollywood; Mr. and Mrs. Harold Goodwin, San Francisco; Alice Brown, Sacramento; Mr. and Mrs. Robert Watson, Tahoe City; Mr. and Mrs. Joseph Pomin

### SPIKE BUCK COSTS HUNTER \$200 IN SIERRAVILLE COURT

SIERRAVILLE—Stanley R. Badger of Santa Rosa was fined \$200 by Justice of the Peace Alden Johnson here when he pleaded guilty to a charge of possessing a spike buck.

Badger was arrested by state game wardens near Little Truckee Summit.

Pete Geringer, Fair Oaks, was fined \$50 for failure to properly tag his buck. Thomas Vaughn of Sacramento was fined \$50 on a similar charge.

Fred Steiff, Clear Lake Oaks, was fined \$60 for leaving his camp fire unattended. John F. Kline, La Honda, failed to appear after having been charged with leaving an unattended campfire. Judge Johnson said a warrant is being issued for his arrest.

There were 135 deer tags validated at the Sierraville ranger station the first two days of hunting season, which is in excess of the number validated in the same period last year.

Mr. and Mrs. Al Randolph have left Tahoe City where they operated a coffee shop and bus stop and will go into business at Hayden, Nevada.

of Tahoe Pines and children, Richard and Joanne.

Many beautiful gifts and congratulatory messages were received by the happy pair during the day.

### MOVE AFOOT TO BAR SPEEDBOATS FROM TAHOE SWIM AREAS

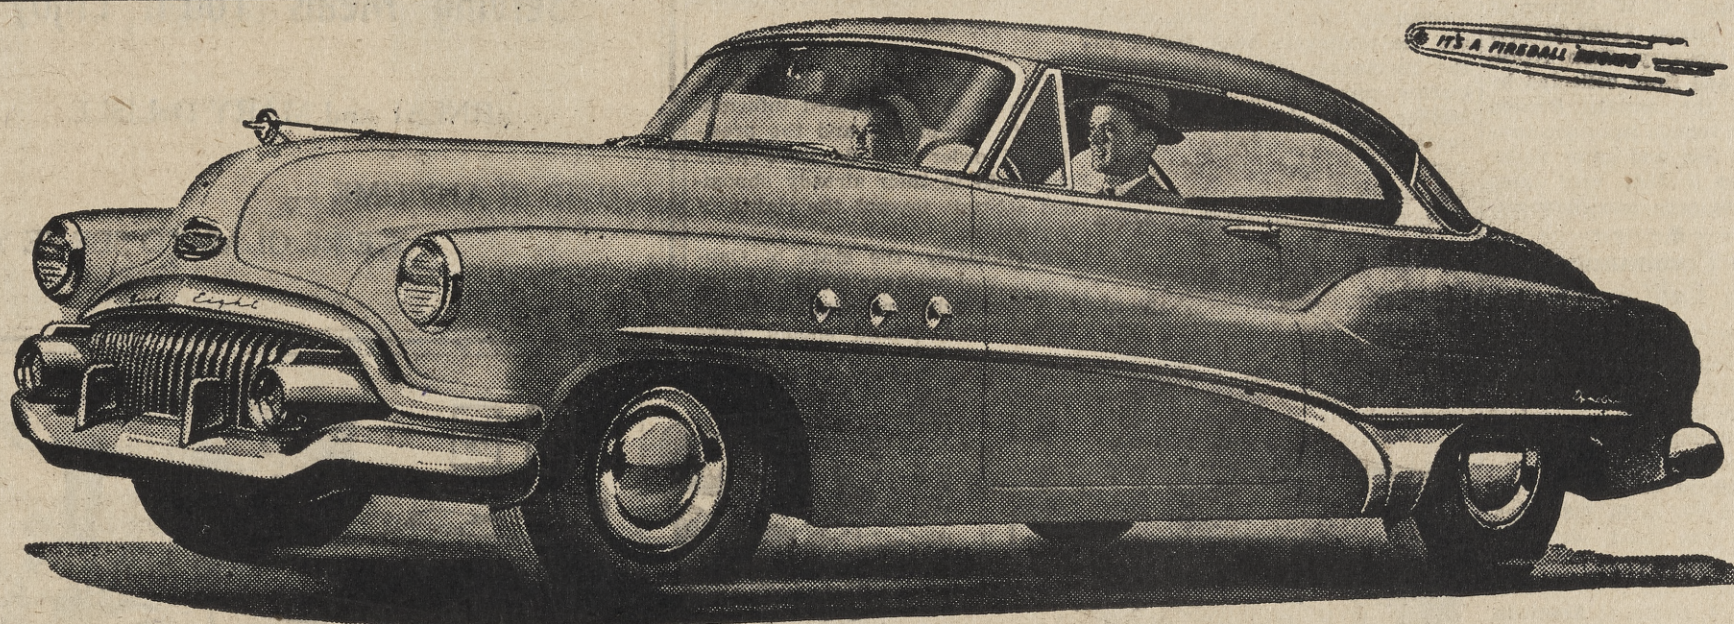

A plan to keep motorboats out of Lake Tahoe swimming areas has been given full support by county and federal officials and private resort owners. At a meeting at Bijou, conducted by Col. C. C. Haug, district engineer for the corps of army engineers at Sacramento, plans were made to install buoys at El Dorado County Campground and at the Pope and Baldwin Estates, which are now under the supervision of the forest service.

Motorboats would be kept 500 feet off the El Dorado beach at Al Tahoe and 300 feet off the beaches at Pop and Baldwin estates.

Final approval is being awaited from Washington.

Mrs. William Mayhew of Tahoe City is returning to Oakland for the winter.

## How does it feel to drive a Buick?

If you think perhaps we're hinting that it would be a good idea for you to try out a Buick—mister, you've never been so right.

It does a lot of things for you and to you that will be something new in your driving experience.

Take the way it feels beneath your hands on the wheel—eager and willing and anxious to please.

It spurts when you want to spurt—rolls with effortless momentum when you want to cruise.

When you take a curve, it snugs down to the road with sure-footed confidence.

After you make a turn, the front wheels instinctively seek a straight course. This car seems to guide itself.

When you come to a bumpy stretch, each separate wheel on its own coil spring steps you smoothly along on a level keel.

Then there's power that surges into action at a nudge of your toe—sends your speedometer needle soaring up to any speed the law allows, in a matter of seconds.

And there is also thrift—the gas-saving thrift that comes from a high-compression valve-in-head Fireball Engine found in no other car.

To top all this, there is Dynaflo Drive\*—that feeds power in a steady, falterless flow—lets you ride relaxed

in busy traffic or on a day-long cross-country drive.

We're willing to stand on the statement that no other car rides, performs or drives like a Buick.

But why take our word for it? Come in—take over one of these lively lovelies—and see for yourself.

#### NO OTHER CAR PROVIDES ALL THIS

DYNAFLO DRIVE\* • FIREBALL ENGINE  
4-WHEEL COIL SPRINGING • DUAL VENTILATION  
PUSH-BAR FOREFRONT • TORQUE-TUBE DRIVE  
WHITE-GLOW INSTRUMENTS • DREAMLINE STYLING

#### Notice of Intention to Engage in the Sale of Alcoholic Beverages September 29, 1951

To Whom It May Concern:

Subject to issuance of the license applied for, and commencing not less than 15 days after the date posted, notice is hereby given that the undersigned proposes to sell alcoholic beverages at these premises, described as follows:

Tourist Cafe, Commercial Row, Truckee, Nevada County.

Pursuant to such intention, the undersigned is applying to the State Board of Equalization for issuance by transfer application of an alcoholic beverage license (or licenses) for these premises as follows: ON SALE GENERAL.

Anyone desiring to protest the issuance of such license(s) may file a verified protest with the State Board of Equalization at Sacramento, California, stating grounds for denial as provided by law. The premises are now licensed for the sale of alcoholic beverages.

## SWANEE'S TAHOE LETTER

PHONE TAHOE CITY 39W

Tahoe City, Sept. 30

Dear Tahoeites:

The deer season to date has not proven as good as in other years but it is reported that the region is not being "over-hunted" as in past seasons. Deer are plentiful, but . . . they are mostly lady deer and few bucks are sighted among them. Many old time hunters of this area who know where to look, and who can hit 'em when they see 'em, haven't had a shot yet. Here's hoping the damp weather will send them down out of the high spots where they are believed to be now.

The Lake Tahoe Ski Club's scheduled meeting on Friday night last fizzled out with only six persons appearing. Seems Bill Becholdt phoned up a short time before the appointed time and begged off because of business and no meeting was held. A board of directors meeting has been called for Thursday evening, October 4, at Tahoe Community Hall at which time Becholdt will be installed as president and the various committees will be appointed by him to carry on the season's program.

A bit of good news comes in the report that Kjell Rustad is in process of reconstructing a new road into the Grandbakk and Olympic Hill skiing areas, which will be completed and ready for use this winter. Ample parking space has been arranged at the entrance, near the highway, by Bob Scates' Stables. A new bridge will be constructed over the Truckee River before snow flies and transportation to the skiing grounds will be by weasel with sleds attached. The road is just one half mile in length, shorter than the tavern entrance road. This should greatly facilitate travel for the crowds who attend the various meets this winter and will be especially appreciated by the huge throngs which will attend the National Junior Championships which the Lake Tahoe Ski Club will sponsor in March of 1952.

Wind this letter up on Monday

## PETE HUEGA FIRST IN WITH BUCK ON OPENING DAY

TAHOE CITY—While some nice deer are being taken from the Tahoe area, reports are hard to check due to validation being limited by law this year to fish and game or forest service officers.

First man reported in at Tahoe City for the season was Pete Huega of Lake Forest who went hunting with Wolfert Harvey of Piedmont. Huega shot a four pointer dressing down at 187 pounds on opening morning early, in the vicinity of Mount Watson.

John Mortizla of Squaw Valley shot a three pointer which dressed out at 135 pounds on Squaw Peak. Pan-American Captain and Mrs. Paul Koehler, accompanied by Mr. and Mrs. M. Orr of Palo Alto, are reported to have bagged a big buck, weight unknown, which boasted 10 points on one side and 11 on the other. He too came from the region of Squaw Valley.

Mr. and Mrs. Imon Mitchell of Sunnyside over the weekend visited their gold mining property at Moore's Flat, Nevada County, accompanied by a party of friends. These included Hal Sharrow of San Anselmo, Mr. and Mrs. Paul Webb of Tahoe Park, Bill Hommerbocker and Raymond Walters, both of Marysville, and Charlie Chlubna of San Francisco. Sharrow was the only one to get his buck, a forked horn dressing out at 160 pounds.

## Fine Collections Reflect Busy Month for Judge

TAHOE CITY—During August, Justice of Peace C. W. Vernon of Tahoe City turned \$1963.50 into the county treasury. This represented fees and fines collected by him during the month. Broken down, motor vehicle fines accounted for \$855, fish and game violations brought in \$545, civil cases \$8 and the balance miscellaneous.

## Polio Top Communicable Disease in California

SACRAMENTO —(C. N. S.)—The state department of public health Monday said 172 polio cases were reported last week, with this disease continuing to run first in the list of communicables.

The department said mumps was second in the list, with 128 cases, and chicken pox third, with 118 cases.

Counties reporting polio included Humboldt, 4; Butte, 4; Alameda, 7; Contra Costa, 11; Marin, 3; Napa, 3; San Mateo, 5; Santa Clara, 6; Solano, 4; San Joaquin, 1; Fresno, 6; Merced, 2; Riverside, 1; San Bernardino, 2; Los Angeles, 85, and Orange, 4.

evening, shortly after the story of the instant death of Placer County's sheriff, Bill Elam, broke. All Tahoe is stunned by the tragic news, and Dollar Hill, despite its new highway and improved facilities, has claimed another life. A heavy downpour of rain was in progress and there is no doubt that the roadbed was slippery.

While tragedy occurred on one of Tahoe's highways due to the rain, the thorough soaking this area received will be a blessing to the forest service which has issued so many warnings about the dryness of the entire area. Usually a shower does little to lessen the danger but this prolonged downpour should have drenched everything thoroughly . . . and deer hunters may be able to track their bucks with greater facility and make a lot less noise trailing their wary targets.

Ring off for the week with the hope that this finds you, one and all sitting pretty . . . right on top of the world . . . as ever,  
Swanee

## FRANK ROWE SAYS SALES TAX NEEDED AT COUNTY LEVEL

Frank J. Rowe, who represents Grass Valley on the Nevada County board of supervisors, came out for a county sales tax last week at the convention of the California Supervisors Association at Santa Cruz.

Rowe, who is president of the association, said, "I feel that a county sales tax of some fair type is absolutely inevitable. It is proper and it is needed."

Rowe blasted efforts of California cities to get what he termed "quickie" legislation enacted on the matter of service to non-incorporated urban areas.

"It seems to us in the counties," he said, "that these demands were just about two years ahead of the facts, and just about two years ahead of the necessary knowledge of how to solve the problem."

Highways, assessments and social welfare held the attention of the association, according to reports.

## Governor Returns to New \$68,000 Annex Office

SACRAMENTO —(C. N. S.)—While Governor Warren was in the East, officials at the state capital were preparing his new offices in the Capitol Annex.

Although the offices will not have the gold door knobs which originally were called for in the plans and cancelled in the belief that they might be slightly pretentious, a total of \$68,000 worth of furniture was moved into the suite, including a huge walnut desk measuring four by ten feet, which set the taxpayers back \$1523. In the governor's office also are 12 leather upholstered armchairs, a leather swivel chair and other accouterments properly befitting the state's chief executive, while carpets in the suite weigh nearly two tons, and cost from \$11 to \$17 a square yard.

Lithium is a member of the alkali family.

## TRUMAN EDICT ON INFO SCORED AS ANTI-DEMOCRATIC

by HENRY C. MACARTHUR  
SACRAMENTO —(C. N. S.)—The furor over extension of the right to classify public information as "secret" to civilian agencies within the federal government brings to mind some of the extremes to which the government went during and after World War II in keeping information secret which anyone who sought it could have had for the asking.

For instance, there is the story in a recent popular magazine concerning the army reserve officer, who was assigned a tough problem, for him, at least, and had no idea of how to turn in a paper on the particular issue involved. The officer, however, was probably more used to cribbing than to brain application, so he looked up the issue in a popular encyclopedia and turned in a paper. Imagine his surprise when it was returned to him marked "top secret".

Similar instances of idiocy, probably engendered by war hysteria, were noted in the offices of war information during the war.

The order issued by President Truman, however, extending security regulations to non-military agencies, is far from funny. For it gives the directors of these government bureaus the authority to put "top secret" on about any kind of material they desire to keep secret and thereby robs the people of another of their prerogatives of democratic living, for a government operating secretly and without knowledge of the people whose servants it is supposed to be, is a government headed directly toward totalitarianism.

Officials of the federal government for many years have been loathe to give requested information to the public, and the presidential order will do little more than add to their already obnoxious attitude toward the rights of the public.

Fortunately, the state of California does not have officials in the top spots who are inimical to the theory that public should have

knowledge of what goes on within government. There are, to be sure, a few minor bureaucrats, such as those in the bureau of hospitals, state department of public health, who refuse to give out information which rightfully belongs to the public.

A recent request made to the bureau for its report on a county hospital brought forth the ruling that such information was "confidential" but the bureau so far has been unable to produce any law, ruling of the attorney general or order, to support their totalitarian tendency.

When the matter was taken up with Governor Earl Warren and Attorney General Edmund G. Brown, both of those officials declared unequivocally that the rights of the people to information

concerning state government should never even be questioned unless state law prohibits giving such information.

In the hospital case, it was felt necessary to ask the attorney general for a specific ruling on that particular issue, which should be coming up within a short time. And if the ruling follows the desires of the governor and the attorney general, it will be to the effect that reports on county hospitals should be public information at the source. Of course, if the law prevents such a ruling, the attorney general has no other course than to hold the reports confidential, in which case, legislative action must be sought to protect the interests of the public.

## My Place In the Sun

by DOUG BARRETT

Her many friends are happy to see Mrs. Julia Crease back from Bakersfield where she has been undergoing medical treatment. She hopes the return to familiar scenes will speed her recovery. \$40 for 50 cents. That's what Jeannette Willoughby got last week from a Sun classified ad. Ken Adams turned in a lost wallet he'd found with, among other things, forty bucks in it. The ad was run last Thursday and before I could sit

down to dinner that night, Mrs. Willoughby called, identified the wallet and left a happier woman. Considerable interest is manifested in the Truckee Outdoor Sportsmen's display in the east window of the Capitol Cafe. In connection with the Buck Stew next Sunday. N. F. (Tom) Dolley, local constable, fire chief, funeral director, landlord and ambulance pilot, is marking another birthday today. His mom and dad, Mr. and Mrs. Fred Dolley, were up this week from Santa Cruz. Telling us how much they miss the mountains. Had a passing hello from Alvah Hooper, Dolley's partner in the Truckee Colonial Mortuary, in town from Roseville. Johnnie Moro detouring his walk down the block to make a deposit in one of the 20-30 club's trash cans. Deputy Sheriff Frank Galino, here on TD between deputies, waxing enthusiastic about the beat in this end of the county. The elementary school play grounds crowded Sunday when several youngsters bound for the Community Methodist Sunday school got caught with their clocks still on daylight saving time. For those interested in the announcement last week of Wednesday night prayer meetings in the Melvin Emerine home. The house is located on the northeast corner of the intersection of Church Street and Highway 40. Time 7:30 p.m. Fred Morris stopping briefly at the California Cafe while jockey-

### NOTICE TO BIDDERS

The governing board of the Truckee Sanitary District will receive bids for the sale of one 1948 Chevrolet one and a half ton loadmaster truck chassis and cab only at the office of the secretary, Joe Mattos, on Main Street in Truckee, California, up to 8 p.m. on Tuesday, November 6th, 1951, at which time they will be opened in public meeting.

The sale will be for cash in legal tender of the United States of America.

The truck has a four-speed transmission and single axle. It is presently stored at Coffey's Garage, Truckee, Calif.

The board reserves the right to reject any or all bids.

FIRE WOOD FOR SALE

#### ROUTINE MEETING

Only routine matters were discussed and regular business conducted at the meeting of the Truckee Sanitary District in the office of Joe Mattos Monday evening.

#### Mrs. Crease Back—

Mrs. Tony Mayer announces that Mrs. Julia Crease is staying at her home here and would welcome any friends who could call and visit her.

#### Attend Sessions—

Mr. and Mrs. Dave Rogers left yesterday for San Francisco where the latter will attend the state librarians' convention being held in the bay city.

#### Expected Home—

Mr. and Mrs. E. L. Loynd and daughter, Judy, and their niece, Linda Loynd, are expected home Sunday after a trip through the east. In Michigan, Loynd took delivery of a new Chrysler New Yorker which they have used to tour the east.

#### Home Today—

Mrs. R. N. Little is expected home today, following an operation performed in a Reno hospital last week.

#### Kamps at Kings Beach—

Mr. and Mrs. George F. Kamp are leaving Truckee this week to live at Kings Beach.

#### Pythian Sisters Schedule Food Sale October 19th

Summit Temple No. 79, Pythian Sisters, is planning a food sale on Friday, October 19, in the Truckee Mercantile. The committee in charge is composed of Donna Songer, Velma Wakefield, Elsie Marquis, most excellent chief Hazel Roberts announced. All sisters will be asked to donate food to make the sale a success.

New members took part in the September 27 session and an invitation has been received from the Reno Temple to attend the initiation of 25 candidates. All those wishing to attend on October 18 may contact Mrs. Roberts or Mrs. Charles Heller.

#### Slide Diverts Traffic Here from Feather River

Truckee enjoyed a supplemental flow of traffic Wednesday when a land slide, caused by the recent rain storm, caused a slide on Highway 24, the Feather River route, 40 miles west of Plumas. An estimated 25,000 yards of mud, rocks and debris dumped down on the road.

ADVERTISE!

#### NEW HOME AT LAKE

Among building permits issued in Washoe County, Nevada, last month was one to B. J. Powell for a \$10,000 residence in the Incline Beach subdivision at Lake Tahoe.

#### Group Entertained—

Mrs. Robert Leamon entertained members of her card club group on Monday evening.

#### Visits Brother—

Mr. and Mrs. Don Harris of Boise, Idaho, were recent guests of Mr. and Mrs. Walter Barrett. Mrs. Harris is the local man's sister.

#### Return Home—

Mrs. Gwen Hocker and her sister in law, Mrs. Grace Spier of Sacramento, have just returned from Montrose, Colo., where they were called by the death of an aunt.

#### Itinerant Merchants Come Under New License Law

Itinerant merchants, dealing in what the law describes broadly as "farm products", are to be licensed by the state board of equalization under 1951 legislation operative October 1. This marks a change in the statute, first enacted in 1939, under which these dealers have been requested to register with the public utilities commission.

Now found in the business and profession code, this law applies to those who deal in products of the soil, soil conditioners, poultry, livestock, timber, honey and cut flowers. Milk dealers, subject to licensing and bonding under the agricultural code, are excluded. There are other exclusions but the terms of the code are so broad that those who might conceivably come within its scope are urged to contact the administrative agency to avoid possibility of unintentional violation of the law.

Anyone buying or selling farm products which he transports by motor vehicle over a public highway to any county in California other than the one in which the products were bought is an itinerant merchant unless this transportation is incidental to his conduct of an established place of business. An itinerant merchant license is issued on a calendar-year basis at a fee varying according to the number of vehicles operated. Currently, this charge is at the rate of \$20 for each vehicle used by the itinerant merchant in his business.

Jerold L. Seawell of Roseville, board member representing the third district, says that all board offices in the area are prepared to answer inquiries regarding itinerant merchant registration and to accept license applications. He urges cooperation of the public in achieving uniform observance of the law, which he describes as designed to minimize abuses that might be encountered in the absence of regulation.

#### Anniversary on Trip—

Mr. and Mrs. Ray Scott observed their wedding anniversary on September 29 while on a California vacation trip.

#### WCSA Meets—

Mrs. Douglas Barrett was hostess to a meeting of the Woman's Society of Christian Service yesterday.

#### Baby Named—

Mrs. Spencer Richards and their daughter, named Tamara Lynn, arrived home from Reno where the little girl was born on September 25.

#### Holt Here—

Mr. and Mrs. Frank Holt of Marysville and former local residents stopped to see local friends today en route from Reno.

#### Return from Missouri—

Mr. and Mrs. H. G. Williams returned from a two weeks trip by train to St. Louis, Missouri, and other midwestern cities.

#### Hawkins Leave—

Mr. and Mrs. C. L. Hawkins have gone to Arcata, Calif., where they are employed.

#### 11th Birthday—

Barry Phipps observed his 11th birthday at the home of his parents, Mr. and Mrs. Barney Phipps, on Sunday, September 30.

#### Fresno Visitors—

Mr. and Mrs. George Kaspian were Fresno visitors yesterday.

#### NOTICE TO BIDDERS

The governing board of the Truckee Sanitary District will receive bids for the sale of one 1948 Chevrolet one and a half ton loadmaster truck chassis and cab only at the office of the secretary, Joe Mattos, on Main Street in Truckee, California, up to 8 p.m. on Tuesday, November 6th, 1951, at which time they will be opened in public meeting.

The sale will be for cash in legal tender of the United States of America.

The truck has a four-speed transmission and single axle. It is presently stored at Coffey's Garage, Truckee, Calif.

The board reserves the right to reject any or all bids.

JOE MATTOS, Secretary, Truckee Sanitary District Board of Directors.
